through July 15, 2022 at
GeorgiaDesignAwards.com

Overview

Atlanta Magazine's HOME and *Atlanta* magazine are pleased to introduce the Georgia Design Awards. These awards are the first of their kind—bringing together all segments of the design, architecture, and construction communities in order to showcase the best work and brightest talent across the state of Georgia. The program is also the first to involve both the trade and consumers. Leveraging the full audiences of both our magazines, along with the extensive reach of atlantamagazine.com, the winning designs will be showcased in front of the largest audience of design enthusiasts throughout the state.

The Georgia Design Awards will span the categories of architecture, interior design, homebuilding, remodeling, and landscape design—both residential and commercial. Entrants must be based in Georgia and will have the opportunity to submit projects ranging from a single room or product installation to an entire home or public space. Submissions will be accepted beginning May 11, 2022 through July 15, 2022. Entries will be judged by an independent panel of judges from outside of Georgia. Winners will be announced at a Black Tie Gala in December. Award-winning entries will be featured in the winter edition of *Atlanta Magazine's HOME*.

How To Enter

Begin by visiting GeorgiaDesignAwards.com and creating an account. Once an account has been created, and after you've signed in, click the "New Entry" link and fill out the form with your project details and attach your images. *Remember to save your entry.* You may revisit and submit as many entries as you wish until 11:59 p.m. on July 15, 2022. Once you've entered all of your projects, use the "Submit and Pay" link to check out and finalize your submissions.

PROJECT IMAGES & NAMING CONVENTIONS

Each entry must be accompanied by at least one (1), but no more than eight (8), high-resolution image(s). Image(s) submitted must be about 8 x 10 inches, at 300 dpi minimum (any image that does not meet this requirement will not be accepted). The acceptable format is JPG, with a size limitation of 50MB per image. Please see our Photography Terms section. Important Note: To ensure anonymity, photos should be named by category and NOT the name of the professional/homeowner submitting the project. Please label your images as "CategoryEntered_ProjectName_ImageNumber.jpg" Example of correct image name:

If your images are not named properly, your project may be disqualified. You may enter as many projects as you wish. Please upload your appropriately named images via the online submission form.

RISING STAR AND READER'S CHOICE AWARDS

A Rising Star award will be given to a nominee who has fewer than 10 consecutive years' experience in their fields and must have completed at least one significant project. Nominations must be submitted by someone other than the nominee. At least five photos must accompany the Rising Star nomination. No fee is required for nomination in this category. **Readers' Choice Best Overall Home** is an award given to the project that receives the most online votes from our readers. Projects submitted in the following categories are automatically posted at atlantamagazine.com for reader voting and are eligible to win: interior design (residences up to and over 4,000 square feet, apartment/loft/condo, and overall best home architecture).

PROJECT CONCEPT STATEMENT / DESCRIPTION

The form will require an overview (100-250 words) detailing significant aspects of the project. The statement should discuss design challenges, location (city name), design solutions, and other pertinent aspects, but must NOT mention firm names, nor individuals involved. Entrants must include the year the project was completed. Design projects more than five years old will not be accepted. Projects should be submitted via the entry submission form at GeorgiaDesignAwards.com.

JUDGING

An independent panel of design experts outside of Georgia will determine the winners. Judges are drawn from media, respected academic institutions, and private practice, and include prominent names from design and architecture. Atlanta Magazine HOME's editorial team will oversee the process and make certain it is professional and fair. The panel's expertise will reflect a broad spectrum of relevant professions, including architecture, building, remodeling, interior design, and landscape design. All judges' decisions are final.

DEADLINE

All entries must be submitted and paid for in full via the web form by 11:59p.m. on July 15, 2022.

FEES

1-3 entries: \$100 each

4-6 entries: \$75 each

7+ entries: \$50 each

Entry fees are payable via our online entry form, which accepts PayPal, Visa, MasterCard, or American Express. Fees are non-refundable.

PHOTOGRAPHY TERMS

Entrants must submit only royalty/reuse-free photos. It is the entrant's responsibility to obtain releases from their photographer before submitting images (to be used during the Georgia Design Awards Gala and published by Atlanta Magazine LLC and its affiliates at no additional charge). All photography submitted may be published free of charge by Atlanta Magazine LLC with free usage in print and online. It is the entrant's responsibility to inform the photographer of these terms. If you are listing your photographer's name and that photographer took photos that you are entering in more than one category, please list your photographer's name/company the same way throughout. Photo selection and size/cropping is at the magazine's discretion.

ELIGIBILITY

The Georgia Design Awards are open to trade professionals in the following categories: Interior Design, Architecture, Home Building, Home Remodeling, and Landscape Design. Consumers/homeowners who are interested in having their homes/projects considered can do so but should include the names, if any, of design/build professionals who completed the work being submitted. Trade or Retail Showrooms are also eligible to submit projects for consideration but should include the names of any design/build professional who was involved with the project being submitted. Entries that have won in or were submitted to competitions other than the Georgia Design Awards are allowed. The address of the company/firm, showroom or homeowner submitting must be in the state of Georgia. Projects being submitted must also be in Georgia, with the exception of the category “Second Home/Vacation Home.” Projects must have been completed since July 31, 2017. Atlanta Magazine LLC reserves the right to disqualify any entries that do not meet the requirements.

GUIDELINES / ADDITIONAL TERMS

Winning entries will receive only one award plaque. If other companies, designers, and/or homeowners contributed to the project and would like to receive awards, duplicate plaques may be purchased upon receipt of the winner letter at an additional cost of \$45. Additional contributors will not be mentioned at the awards ceremony, on an award plaque, or in the magazine unless listed as a “co-entrant.” Important note: If you list a co-entrant on an entry, the co-entrant’s name will appear as a co-winner with your company name in the magazine and on the award plaque if your submission is selected as a winner. There is a separate opportunity on the submission form to list others who contributed to the project; this area is optional and those you list here *may* be mentioned at the gala or in the *Atlanta Magazine’s HOME* editorial. If a category doesn’t receive sufficient support, Georgia Design Awards retains the right not to recognize a winner. Failure to comply fully with contest rules may result in disqualification. Entry fee is non-refundable and will not be returned (even if entry is determined to be ineligible or disqualified). Atlanta Magazine LLC and *Atlanta Magazine’s HOME* are not liable for lost, stolen, ineligible, misdirected, damaged, mutilated, or postage-due entries. Winning submissions become the property of Atlanta Magazine LLC and *Atlanta Magazine’s HOME*. Atlanta Magazine LLC and *Atlanta Magazine’s HOME* retain legal/publishing rights after publishing of the Winter 2022 Atlanta Magazine’s HOME magazine.

Attention to detail! A tumbled gray and white marble hexagon pattern is the focal point for this master suite. The hexagonal shape was repeated in the center chandelier of milk glass and polished nickel, cabinet hardware, and wall sconces. His and hers armchairs provide an abundance of linen and bath storage. The tub is perfectly centered inside an arched window with a soft gray wool shear Roman shade.

COMMERCIAL BUILDING ARCHITECTURE

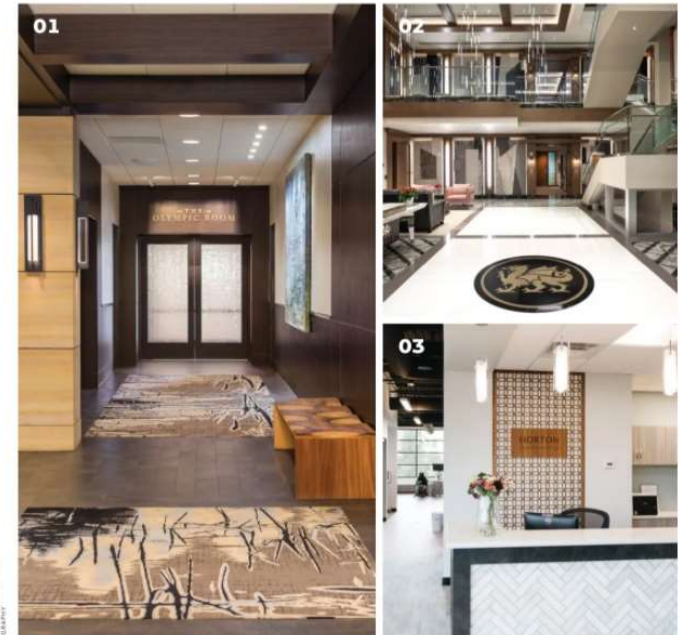

01 Nor-Son Construction
The owners of this spectacular Gulf Lake resort knew an outdoor dining and event space could prove fortuitous with the Brainerd Lakes area's recent boom in family gateways, corporate events, and destination weddings. The project features a covered dining area with seating for 250 people, several terraced seating areas, and countless entertainment opportunities—including a massive stone fireplace and wraparound bar. A judge described Nor-Son Construction's design as "unique and clever with equestrian flavor."

LOBBY

01 Aulik Design Group
The thoughtful incorporation of durable materials (think limestone, steel, glass, and wood-look tile floors), new glazing, an ornamental fountain, changeable carpet panels, and overhauled restrooms in this lobby remodel ushers a 1960s clubhouse into the 21st century. Creating a visual connection from the porte-cochère to the lobby entryway was an integral component of Aulik Design Group's transformation—considered by one judge as a true "celebration" of the existing structure.
